Allah is a special name to us. It means "Glory to be him, the most high.

We believe that there is only one God. This belief is called Tawhid. Allah (SWT) made the whole world, the sky, the animals, the plants, and us. We pray only to Allah (SWT.) He has many beautiful names that tell us about him.

Allah SWT gave us the Quran. It is a special book to guide us in our life.

He sent many prophets to teach us. The last prophet is Muhammad. (saw) He showed us how to be kind, pray and help others.

We pray five times a day with talk to Allah. We thank Allah (SWT) for everything we have.

Allah (SWT) is very loving. He forgive our sins when we pray to him. When we seek guidance, he shows us the true path. We hope that Allah (SWT) will grant us Jannah in the hereafter.

The Cow

The friendly cow all red and white,
I love with all my heart;
She gives me cream with all her might,
To eat with apple tart.

She wanders lowing here and there,
And yet she cannot stray.
All in the pleasant open air,
The pleasant light of day,

And blown by all the winds that pass
And wet with all the showers,
She walks among the meadow grass
And eats the meadow flowers.

There was a little tree in a garden. The name of the tree was Tilly. Tilly was small but dreamed of growing bigger.

One day, a kind girl whose name was Fia saw Tilly. Fia told Tilly that she would help her grow. Every day she watered Tilly and cleaned up around her.
